Location, Location, Location!

This charming older style home has undergone a stunning transformation! Freshly painted internally and with new carpets, new window coverings, new kitchen and a new bathroom, there is nothing left to do but move in. The home features a spacious kitchen/meals area, large lounge and dining area with gas heater and feature open fire place, and three bedrooms, all with built in robes and ceiling fans. The renovated laundry contains a second shower (over bath) and a second toilet. Outside there is a double carport, single brick garage, workshop, sundry shedding and a third toilet. This is a very solid home with lots of old world charm and a superb location, only a short walk to shops, schools, and the hospital. Sited on a 976 square metre block with good colorbond fencing. May be suitable for future development. (STCA)
